

Who to call to report suspected or confirmed MERS-CoV (Corona) Cases in ICU?

(937 Hotline)

The Ministry of Health emergency hotline (937) has now been made in charge to coordinate MERS-CoV (Corona) suspected and confirmed cases admitted in ICU.

As of **8am June 11, 2014 (13/8/1435)** and based on the MERS-CoV (Corona) **Case Definition:**

<http://www.moh.gov.sa/en/Documents/MoHCaseDefinitionMERSCoVVersionMay132014.pdf>

All hospitals must now utilize the 937 hotline to report all suspected or confirmed MERS-CoV (Corona) cases in ICU.

Hospitals may also communicate with the 937 hotline to submit their feedback and inquiries regarding these cases.
