## VIRTUAL PRESENTATION SUBMISSION AND COMPETITION GUIDELINES

Deadline for Abstract Submission: 2021-10-30

For queries: DSD.MOH.2022@gmail.com

### General Guidelines:

- Presentations and competition are for General Dental Practitioners working at MOH only.
  - The presentation topics should be within the 3 categories:
    1. Evidence based dentistry, related to General Dentist's practice. This should be new and attractive.
    2. Topics of service development such as: Dental Economics, Infection Control, Patient Safety, etc.
    3. A Scientific Research which was conducted by the presenters within the past two years.
  - Abstract should be in PDF file format, prepared in English language not exceeding ONE page.
  - Abstract can be submitted by a team of no more than three dentists, and to be presented by one of them. Please include names of your team members for certificates within the abstract.
- The submission must be done by the main presenter through:

- All participants of the accepted abstracts will receive Certificates of Participation.
- Abstracts should clearly and concisely outline the content of the presentation.
- All submitted abstracts will be assessed and preliminary evaluated for eligibility for e-presentation.
- You will be notified via email (during 2 weeks following the deadline) if your abstract is either accepted or not to be presented on the Dental Scientific Day.
- Five Winners will be announced according to their scores by the judges.
