

Nursing Reference Center Plus - Browsing Skills

The **Skills** page in *Nursing Reference Center Plus* (NRC Plus) provides a specific location to search for clinical papers detailing the necessary steps to achieve proficiency in a specific nursing task or defining the key considerations to providing culturally competent care to a specific group.

The Skills page also offers direct access to featured content such as Skill Highlights, Critical Skills, and Featured Videos.

Searching Skills

To search for nursing skills:

1. Click the **Skills** tab at the top of NRC Plus.
2. Enter terms in the **Find** field and click **Search**.
3. From the results page, you can limit your results by available **Material Type** in the column on the left.
4. Click on a full text link to read an item.
