

List of Companies that Submitted EOI for Alansar Hospital Project

The Saudi Ministry of Health supported by the National Center for Privatization & PPP is pleased to announce the list of companies that submitted an expression of interest (EOI) statement in AlAnsar Hospital project which is intended to be a 244 bed green-field hospital for the pilgrims and city residents within the vicinity of Al-Masjid Al-Nabawi.

We will update our partners on the next step in an upcoming email sent to the designated contact representative.
