

How to track your pregnancy on SehhatyApp

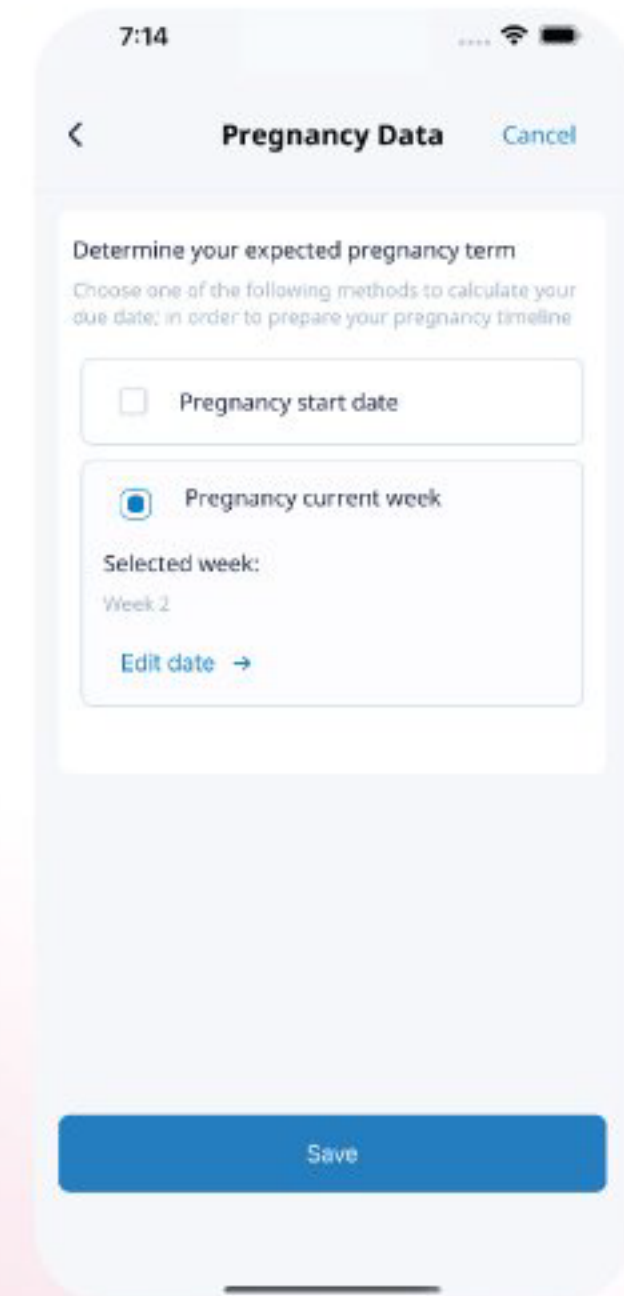

1

From **My Health** screen
click on **Women Health's**

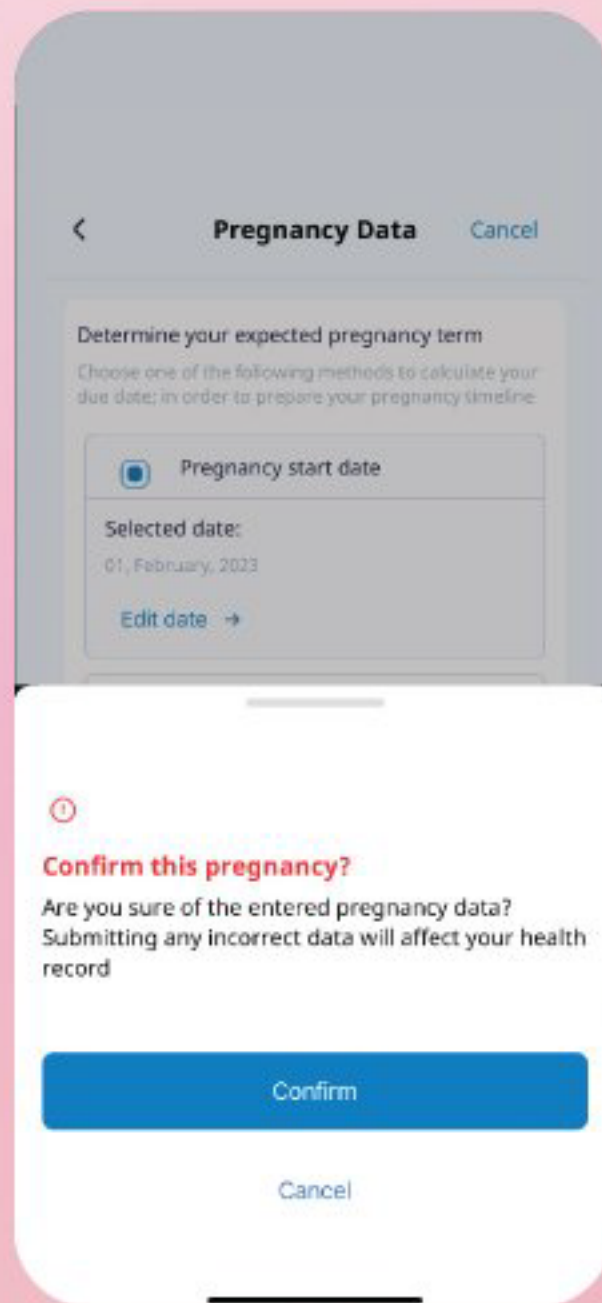

2

If there is no pregnancy listed
click on **Enter pregnancy data**

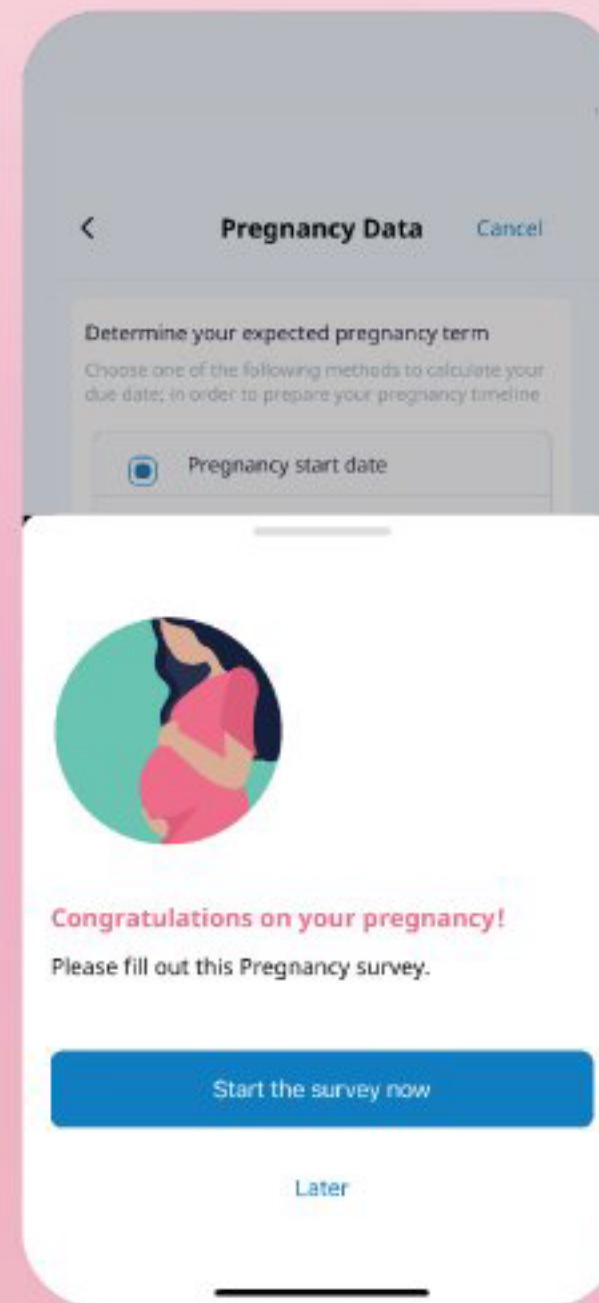

3

Enter your pregnancy term
then click on **Save**

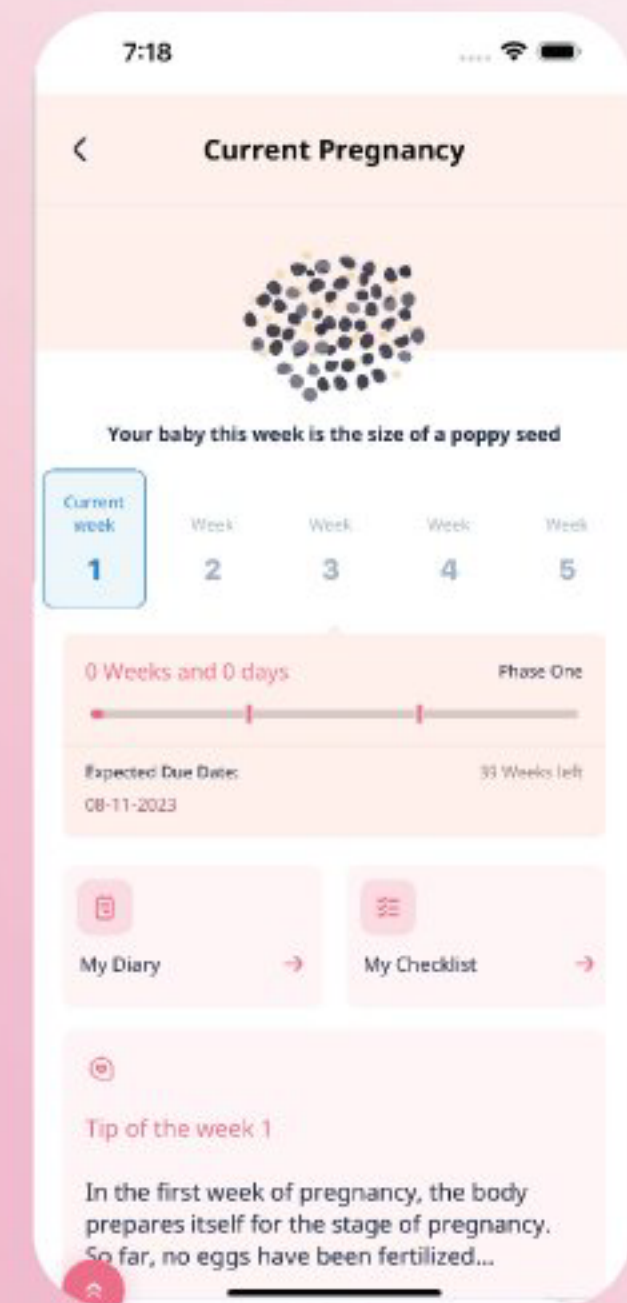

4

Click on **Confirm** or **Cancel** to get back

5

Click on **Start the survey now** or **Later** to skip

6

A screen will pop up where you can track your pregnancy
