Searching in DynaMed Plus

When searching *DynaMed Plus*, you have the ability to view a result list of topics related to your search terms or go directly to a specific *DynaMed Plus* topic when one matches your terms.

To search DynaMed Plus:

1. Begin entering your search **term(s)** in the search box.

As you type, *DynaMed Plus* topics and searches matching your terms appear below the search box.

- Select a *DynaMed Plus* topic under **Go To** to go directly to the topic or select a search term under **Search For** to view a result list.
 You can also click the **Search** button at any time to view a result list.
- 3. DynaMed Plus displays a Result List. The topics in the Result List are ordered by relevance, based on the term you entered. Note that the term(s) might not exist in the topic title.

If an exact match for your terms is available, it appears above the Image Results.

4. Click a *DynaMed Plus* **title** to view the full topic.

-0R-

When available, click a section heading to go directly to that section of the topic.
